

In Holland staat een huis

Dutch song

This song contains:

Key clicks

Jet whistle

PURPOSE:

- ✓ Having fun!
- ✓ Improving finger movement
- ✓ Activate abdomen

Suggestions:

1. Play slowly so there is enough time to change the embouchure for the jetwhistle
2. When playing key clicks on the low f and e use the middle finger of the left hand to play the key click.

How to perform:

- | | |
|------------|--|
| Jetwhistle | <i>Cover the embouchure hole with your mouth and blow forcefully into the flute.</i> |
| Key clicks | <i>Play the notes without blowing, make sure we can hear the keys!</i> |

In Holland staat een huis
